**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a broadband consumer. Please support broadband competition and reject efforts by AT&T to hamper competitors.

I used to run broadband and it became slow given the size of downloads and uploads. Now I have fiber and can access news and do research in reasonable times.

If you remove the current access to networks used by competitors my fiber will become slower and more expensive. That would be a hardship.

Thank you.
